

## Admissions and Application

Children are evaluated on the basis of readiness for school and potential for success in a Montessori classroom. It is equally important to determine whether the parents' education philosophy is compatible with that of GVS. The admissions process consists of a parent observation visit, submission of an application form and a non-refundable registration fee, and a parent, child and teacher meeting. Older children may be asked to spend time in the classroom prior to acceptance for admission.

Green Valley School welcomes all qualified individuals regardless of sex, race, color, creed, disability, national or ethnic origin.
